Consignment Information - RawCoins

Raw Coins: This form is for raw/uncertified coins, which extends our discounted rates for coin grading directly to our members. Please fill out this form and send the coins to **GreatCollections**. We will process/review, and then submit to the grading service(s) under our account.

First-Time Raw Coin Consignors: If you are unsure whether your coins are suitable or worthwhile to be graded by a third-party grading service, please contact us first at 1-800-442-6467 or by e-mail to info@greatcollections.com before you ship any consignments to **GreatCollections**.

Grading Services Options: We are authorized dealers at PCGS, NGC and ANACS and offer several different service levels depending upon the approximate value of the coin and processing time (in business days) by the grading services. Please note, processing times are approximate only, vary from time-to-time, and are from the time **GreatCollections** delivers your coins to the grading service. While PCGS is local to our office in Irvine, we will ship raw coins to NGC and ANACS, so the shipping time to/from is additional to our estimates.

Errors, Varieties, Rarities: The grading rates/services listed cover the most common coin submissions/consignments. At PCGS and NGC, certain errors, varieties or rarities (coins worth more than \$20,000) may need to be graded under a different service at a different rate. Please submit the coins to **GreatCollections** and we will contact you if any do not fall under the discounted rates listed on this form prior to submitting to the grading services for your approval.

CAC: CAC is a third-party grade verifier founded by John Albanese that reviews PCGS and NGC-graded coins (excluding moderns). **GreatCollections** is an authorized submitter and can arrange CAC to review your coins after they are graded and prior to auctioning. The process takes about 10 days. Cost is \$14.50 for coins valued up to \$10,000 and \$29 for coins valued over \$10,000.

Certified Coins: **GreatCollections** welcomes coins graded by PCGS, NGC (NCS) and ANACS. Please use our Certified Coin Consignment Form, which can be printed at www.greatcollections.com/forms or telephone us at 1.800.442.6467 and we would be pleased to mail you our printed forms.

Insurance: From the moment your coins arrive at **GreatCollections**, they are covered by our extensive insurance policy with Lloyd's of London...another benefit provided to all consignors at no cost.

Listing Fees: Once your coins are graded, we will list them at **GreatCollections**. Listing fees are based on the following schedule and are charged the first time the coin is listed at **GreatCollections**.

Minimum Bid	Listing Fee
\$1-\$99	\$3
\$100-\$999	\$5
\$1,000 and up	\$10

2. Consignor warrants that: (1) Consignor is the legal owner of and has full title and interest in the coins/items consigned to **GreatCollections**; (2) all coins/items consigned to **GreatCollections** are free and clear of any liens, encumbrances, security interests or contract rights restricting the unconditional right to sell all rights, title and interest in and to such coin/item; and (3) all consigned coins/items are authentic and in respect to certified coins, holders have not been tampered with or resealed.
3. Consignor agrees to pay **GreatCollections** a Listing Fee for each coins/items offered by Auction and for coins/items sold, a Seller's Fee. All fees are detailed on the reverse of the Consignment Agreement.
4. In the event that your coins do not sell in their first Auction, **GreatCollections** agrees to relist coins/items up to four additional times. There will be no Listing Fees charged for these four additional relistings. Should you prefer your coins not to be relisted, please note this in the "Special Instructions" box on the Consignment Form.
5. Consignor acknowledges that the Hammer Price is the final bid price accepted by the Auctioneer. The Hammer Price does not include the Buyer's Fee, which **GreatCollections** retains in full.
6. **GreatCollections** has the right in its sole discretion to reject any Consignment, to cancel any Auction, to postpone or change the date/time of Auction and/or to rescind any sale. **GreatCollections** also reserves the right in its sole discretion to cancel or reject any bidder from bidding, when we believe it is not in the Consignor's and/or **GreatCollections**' best interest.
7. A Consignor is able to list a Minimum Bid on every coin/item consigned, according to the three options listed on the Consignment Form. It is up to the Consignor to verify that the correct Minimum Bids are entered as soon as their coins/items are uploaded to the **GreatCollections** website. Any corrections should be reported as early as possible before the end of the Auction. This Minimum Bid amount is disclosed on all items/coins listed at **GreatCollections**. Consignor may not withdraw any coin/item for any reason.

In addition, **GreatCollections** offers a return privilege to Buyers. Should your coin/item be returned, we will cancel the sale and relist your item. In the event that **GreatCollections**

Up to Five Listings for One Fee: For one listing fee, **GreatCollections** will relist any coin that doesn't sell, up to a maximum of five times without any additional listing fees. If you do not want your coins relisted, please let us know under "Special Instructions" on the reverse of this form.

Timing and Scheduling: Coins are generally listed on our website within seven days of arriving back from the grading services.

PCGS & NGC Handling Fees: PCGS and NGC both charge a handling fee per submission, which will be billed to your consignor account. If you have coins going to multiple levels of service, or U.S. and World coins (that will need to be split), please note, you will incur multiple handling fees. We will do our best to minimize the number of submissions for your consignment.

Minimum Bids: We offer three convenient ways to set Minimum Bids at **GreatCollections**.

1. You may select **GreatCollections** to establish a Minimum Bid based on our knowledge of the coin market. We usually set opening bids at 70% of what we believe the coins are worth in today's market. This is our recommended option that we have found to generate the most bidding activity while protecting you with a Minimum Bid.

2. You may select a percentage of the Values you have listed on the reverse of this form to use as Minimum Bids. Please check either the 50%, 65% or 80% option.

3. You may select that all coins start at a Minimum Bid of \$1. This is recommended for liquid/popular coins and is used regularly by dealers, investors and representatives of estates.

Regrettably, we cannot accept consignments where the Minimum Bids are higher than 80% of their listed value.

If you have any questions regarding setting Minimum Bids, please call us at 1.800.44.COINS (+1.949.679.4180) or e-mail info@greatcollections.com.

Seller's Fees: Our Seller's fees are a low 5% for coins up to \$1,000 and 0% for coins over \$1,000.

Consignment Proceeds: Checks are mailed within 30 days of your coin(s) selling. To confirm the payment date, please login to your account at **GreatCollections**, click on MyGC and "View Consignor Statements".

cancel the sale of your coins/items or your coins/items are returned, all Listing Fees and Seller's Fees will be refunded to Consignor.

9. If you consign raw coins/items to **GreatCollections**, we will send your coins/items to a major third-party grading service such as PCGS, NGC and/or ANACS. For more information, please refer to the Raw Coin Consignment Form, which can be downloaded at www.greatcollections.com/forms. Consignor agrees that any raw coins submitted by **GreatCollections** to PCGS, NGC or ANACS are bound by the terms and conditions of each respective grading service. **GreatCollections** is not responsible for any grade or action by any third-party grading service and offers grading services only as a convenience to the Consignor.

10. **GreatCollections** shall remit to Consignor, within 30 days after the close of the Auction, the net proceeds, which equals the Hammer Price less Seller's Fees, Listing Fees, Interest for Cash Advances, other monies owed to **GreatCollections** by Consignor and Cash Advances Principal (in order). In the event the Consignor's sales do not exceed fees or monies owed to **GreatCollections**, the Consignor agrees to pay **GreatCollections** all monies owed within seven days of invoice date. In certain instances, an introductory commission may be paid by **GreatCollections** to an agent of Consignor for referring the Consignment to **GreatCollections**.

11. **GreatCollections** will provide insurance for loss or damage for consigned coins while in the possession of **GreatCollections** and while any are being shipped back to the Consignor, subject to certain terms and exclusions (such as Earthquake coverage). In the event of an insurance claim, our insurance carrier will pay you the Fair Market Value, less the Seller's Fees and Buyer's Fees, based on the total insurance proceeds. This payment to you by the insurance carrier shall completely satisfy our obligations regarding the Consignments under this Agreement.

12. **Arbitration. This Agreement shall be governed by the laws of the State of California.
