Consignment Information - Raw Currency

Raw Currency/Paper Money: This form is for raw/uncertified paper money, which extends our discounted rates for paper money grading directly to our members. Please fill out this form and send the paper money to GreatCollections. We will process/review, and then submit to the grading service(s) under our account.

Grading Services Options: We are authorized dealers at PMG and PCGS Currency and offer several different service levels depending upon the approximate value of the note and processing time (in business days) by the grading services. Please note, processing times are approximate only, vary from time-to-time, and are from the time GreatCollections delivers your coins to the grading service. We will ship raw notes to PMG and PCGS Currency, so the shipping time to/from is additional to our estimates.

Errors, Varieties, Rarities: The grading rates/services listed cover the most common coin submissions/consignments. At PMG and PCGS Currency, certain errors, varieties or rarities (coins worth more than \$20,000) may need to be graded under a different service at a different rate. Please submit the CURRENCY to GreatCollections and we will contact you if any do not fall under the discounted rates listed on this form prior to submitting to the grading services for your approval.

Certified Paper Money: GreatCollections welcomes banknotes graded by PMG and PCGS Currency/Banknote Grading. Please use our Certified Currency Consignment Form, which can be printed at www.greatcollections.com/forms or telephone us at 1.800.442.6467 and we would be pleased to mail you our printed forms.

Certified Coins/Raw Coins: GreatCollections welcomes coins graded by PCGS, NGC (NCS) and ANACS and can also arrange the grading prior to auction for raw/uncertified coins. Please use our Coin Consignment Forms, which can be printed at www.greatcollections.com/forms or telephone us at 1.800.442.6467 and we would be pleased to mail you our printed forms.

Insurance: From the moment your paper money arrive at GreatCollections, they are covered by our extensive insurance policy with Lloyd's of London...another benefit provided to all consignors at no cost.

Listing Fees: Once your currency is graded, we will list them at GreatCollections. Listing fees are based on the following schedule and are charged the first time a note is listed at GreatCollections.

Minimum Bid	Listing Fee
\$1-\$99	\$3
\$100-\$999	\$5
\$1,000 and up	\$10

Up to Five Listings for One Fee: For one listing fee, GreatCollections will relist any banknote that doesn't sell, up to a maximum of five times without any additional listing fees. If you do not want your currency relisted, please let us know under "Special Instructions" on the reverse of this form.

Timing and Scheduling: Banknotes are generally listed on our website within seven days of arriving back from the grading services.

PMG & PCGS Currency Handling Fees: PMG and PCGS Currency both charge a handling fee per submission, which will be billed to your consignor account. If you have paper money going to multiple levels of service, or U.S. and World paper money (that will need to be split), please note, you will incur multiple handling fees. We will do our best to minimize the number of submissions for your consignment.

Minimum Bids: We offer three convenient ways to set Minimum Bids at GreatCollections.

1. You may select GreatCollections to establish a Minimum Bid based on our knowledge of the banknote market. We usually set opening bids at 70% of what we believe the banknotes are worth in today's market. This is our recommended option that we have found to generate the most bidding activity while protecting you with a Minimum Bid.

2. You may select a percentage of the Values you have listed on the reverse of this form to use as Minimum Bids. Please check either the 50%, 65% or 80% option.

3. You may select that all banknotes start at a Minimum Bid of \$1. This is recommended for liquid/popular banknotes and is used regularly by repeat consignors, dealers, investors and representatives of estates.

Regretfully, we cannot accept consignments where the Minimum Bids are higher than 80% of their listed value.

If you have any questions regarding setting Minimum Bids, please call us at 1.800.44.COINS (+1.949.679.4180) or e-mail info@greatcollections.com.

Seller's Fees: Our Seller's fees are a low 5% for paper money items up to \$1,000 and 0% for paper money items over \$1,000.

Consignment Proceeds: Checks are mailed within 30 days of your paper money selling. To confirm the payment date, please login to your account at GreatCollections, click on MyGC and "View Consignor Statements".

Consignor Terms & Conditions

1. Consignor agrees that the Auction shall be conducted online by GreatCollections according to the Terms and Conditions published at www.greatcollections.com/terms. This agreement is subject to Arbitration.
2. Consignor warrants that: (1) Consignor is the legal owner of and has full title and interest in the coins/items consigned to GreatCollections; (2) all coins/items consigned to GreatCollections are free and clear of any liens, encumbrances, security interests or contract rights restricting the unconditional right to sell all rights, title and interest in and to such coin/item; and (3) all consigned coins/items are authentic and in respect to certified coins, holders have not been tampered with or resealed.
3. Consignor agrees to pay GreatCollections a Listing Fee for each coins/items offered by Auction and for coins/items sold, a Seller's Fee. All fees are detailed on the reverse of the Consignment Agreement.
4. In the event that your coins do not sell in their first Auction, GreatCollections agrees to relist coins/items up to four additional times. There will be no Listing Fees charged for these four additional relistings. Should you prefer your coins not to be relisted, please note this in the "Special Instructions" box on the Consignment Form.
5. Consignor acknowledges that the Hammer Price is the final bid price accepted by the Auctioneer. The Hammer Price does not include the Buyer's Fee, which GreatCollections retains in full.
6. GreatCollections has the right in its sole discretion to reject any Consignment, to cancel any Auction, to postpone or change the date/time of Auction and/or to rescind any sale. GreatCollections also reserves the right in its sole discretion to cancel or reject any bidder from bidding, when we believe it is not in the Consignor's and/or GreatCollections' best interest.
7. A Consignor is able to list a Minimum Bid on every coin/item consigned, according to the three options listed on the Consignment Form. It is up to the Consignor to verify that the correct Minimum Bids are entered as soon as their coins/items are uploaded to the GreatCollections website. Any corrections should be reported as early as possible before the end of the Auction. This Minimum Bid amount is disclosed on all items/coins listed at GreatCollections. Consignor may not withdraw any coin/item for any reason.
8. If the successful bidder or buyer is in default and GreatCollections is not satisfied that the amount due for any particular Consignor's lot[s] will be paid in full, GreatCollections reserves the right to take one or more of the following actions: (1) declare the sale null and void and return the coins/items to the Consignor; (2) declare the sale null and void and reoffer the coins/items in another Auction; and/or (3) proceed against buyer on behalf of Consignor. In addition, GreatCollections offers a return privilege to Buyers. Should your coin/item be returned, we will cancel the sale and relist your item. In the event that GreatCollections

cancels the sale of your coins/items or your coins/items are returned, all Listing Fees and Seller's Fees will be refunded to Consignor.

9. If you consign raw currency/items to GreatCollections, we will send your currency/items to a major third-party grading service such as PCGS and PMG. For more information, please refer to the Raw Currency Consignment Form, which can be downloaded at www.greatcollections.com/forms.

10. GreatCollections shall remit to Consignor, within 30 days after the close of the Auction, the net proceeds, which equals the Hammer Price less Seller's Fees, Listing Fees, Interest for Cash Advances, other monies owed to GreatCollections by Consignor and Cash Advances Principal (in order). In the event the Consignor's sales do not exceed fees or monies owed to GreatCollections, the Consignor agrees to pay GreatCollections all monies owed within seven days of invoice date. In certain instances, an introductory commission may be paid by GreatCollections to an agent of Consignor for referring the Consignment to GreatCollections.

11. GreatCollections will provide insurance for loss or damage for consigned currency while in the possession of GreatCollections and while any are being shipped back to the Consignor, subject to certain terms and exclusions (such as Earthquake coverage). In the event of an insurance claim, our insurance carrier will pay you the Fair Market Value, less the Seller's Fees and Buyer's Fees, based on the total insurance proceeds. This payment to you by the insurance carrier shall completely satisfy our obligations regarding the Consignments under this Agreement.

12. Arbitration. Any claim or dispute arising out of the sale of coins/items by GreatCollections shall be settled by arbitration between the parties in accordance with the rules of the Professional Numismatists Guild (PNG) or if the PNG cannot or will not hear the matter, by the American Arbitration Association (AAA). Any claim must be commenced within three months of the Auction date or Buy Now confirmation or the claim is waived.

13. This contract is the entire Agreement between the parties and supersedes all prior Agreements. The warranties and representations contained in this Agreement survive the date of execution by each party herein and the performance of all terms and conditions contained in this agreement. This Agreement shall be governed by the laws of the State of California.
